**NATIONAL LEVEL
TECHNICAL SYMPOSIUM**

DATE: 16 MAY, 2025

VENUE : B BLOCK B217

THE INSTITUTE

Anna University, University College of Engineering, BIT Campus, Tiruchirappalli was established by the Government of Tamil Nadu as a Technical Institution" at Tiruchirappalli known as Rock Fort city, with rich cultural heritage and home to many reputed educational institutions. University College of Engineering, Bharathidasan Institute of Technology Campus, Tiruchirappalli is a constituent institution of Anna University Chennai. The Institution is established with a view to impart quality student-centered technical education, so as to produce proven technocrats and to strive hard for continuous development and improvement in learning, research and developmental activities. Teaching, Research and Extension services are carried through various Departments and Centers of the Institution. The Institution also works toward fostering partnerships with academic and industrial experts to provide quality education and opportunities for entrepreneurial development by providing hands-on training. BIT has carved a niche for itself in providing technical education in the disciplines that are rare of their kind in our country. Aiming at excellence, the Institution offers Research program and UG/PG program in various disciplines.

THE DEPARTMENT

The Department of Electronics and Communication Engineering at Bharathidasan Institute of Technology started at 2007 offers undergraduate (B.E., Electronics & Communication Engineering) and postgraduate (M.E., Communication Systems Part Time) programmes providing excellent career opportunities in wide area of Electronics and Communication Engineering. The Department has a team of faculty members with excellent academic and research experience. The Department is equipped with laboratory facilities to aid academic and research experiments. The major research areas of the Department includes Device Modelling, Mobile and wireless Communications, Multimedia technology, Network Security, Optical Network, Signal/Image Processing, VLSI, Wireless Sensor Networks.

VISION

To develop the Department as the centre for excellence in Electronics and Communication Engineering across nation with the global standard to meet the cutting edge technology in the industry

MISSION

To impart the recent developments in the field of Electronics and Communication Engineering with the state-of-the-art infrastructure.

TECHNICAL EVENTS

1. THESIS THEATER

GUIDLINES :

- Maximum 1-3 Members per Team
- Open to all (UG, PG, Research scholars)
- The Abstract should not exceed 150 words
- Time limit: Maximum 10 mins

2. CIRCUITHON

GUIDLINES :

- A maximum of 3 members per team.
- Images of simple electronic circuits will be displayed.
- The contestant has to find the correct of relevant circuit according to the question asked.
- The question are very simple and basic circuits with tricky & fun solution, not complex.

3. IDEA HARVEST

GUIDLINES :

- A real time problem statement will be given on the spot .
- The participants are supposed to come up with a solution.

REWARDS :

- 1st prize - 1500 cash prize
- 2nd prize - 1000 cash prize
- 3rd prize - 500 cash prize

Rewards for all other winners
Certificate for all participants

NONTECHNICAL EVENTS

1. WIKILADDER

- Teams of up to 3 compete in two rounds. Round 1 is WikiRace—players navigate from a start word to a target word using only Wikipedia links.
- Round 2 is Snakes and Ladders - teams answer riddles on special squares.
- Correct answers help progress.
- First to finish wins!

2. FIND IF YOU CAN

Form a team of 3. Round 1 is Dumb Charades with themed words. Round 2 involves guessing a product and pitching it creatively. Best pitch wins based on judges' scores.

3. CINIFIND

- Each team can have up to 3 members.
- Round 1 is a memory game where players take turns adding and repeating movie names in sequence.
- Mistakes lead to elimination. Top teams move to Round 2, "Bioscope," where teams guess movie names from images.
- The team with the most points wins.

Note:

Presentation

should be send to on or before 15 May till 12 PM
